## In Line With The Khaki Boys

### 1.

Oh, it's jolly fine to be in line,  
 In line with the khaki boys,  
 To march along with shout and song,  
 'Tis the life a man enjoys.  
 We need the best to meet the test  
 In this fight for liberty,  
 So join the line, you're just in time  
 To march to victory!

### Chorus

Come boys, get in the khaki line,  
 Do your bit if you are fit,  
 This is your chance to show your worth,  
 This is no time to quit!  
 It's great to march behind the band,  
 Come on, you men, and sign,  
 It is the life I tell you, when—  
 You're in the khaki line.

### 2.

You'll all agree that the finest you see  
 Are in the khaki line,  
 They're brave and true to the red, white and blue,  
 Their deeds with glory shine.  
 They need you there to do your share  
 For freedom and for right,  
 So come on and sign with the khaki line  
 And crush the tyrant's might.

### Chorus
